TEN – Grasping For More and More

The Ten Commandments contain not just the law as given to Moses, but vital more direction that reveals the character and nature of God. Chief among them is the tenth command. It is in many ways the heart of every other command you find in the TEN.

2. The Source of Covetousness

Minute Devotionals

The heart of covetousness is desire and desire gone astray is the heart of just about every sin of which you may think. For instance, adultery is coveting a relationship with someone that you should not have. Theft stems from the desire to have some thing that you do not own. And so on. It is the heart of the law, though very seldom confessed as a struggle or sin.
