Ladies, we need to be mindful of the fact that God has a plan for our lives; we serve a great purpose in His Kingdom. Just as God raised up Esther during a particular time in history for His purposes, so He has raised us up. Wherever you are, whatever your situation, God has a plan and a purpose to use you for His kingdom work. You are not here by accident and your life is not random. God is at work around you and through you.
